

## VIPER CLUB OF AMERICA MONRONEY REPRINT PROGRAM

The VCA is pleased to announce a special program where you can get a replacement Monroney (window sticker) printed by the factory. The replacement Monroneys will be exact duplicates of the originally issued sticker, with the option to customize the “built especially for” field – either with your name or left blank. They will be printed on original Monroney security paper and in the same size and color as the original. **NO OTHER ADDITONS OR CHANGES ARE ALLOWED.** Due to the need to specially protect the newly issued sticker, they will be hand packed and shipped in a special shipping tube.

**Please note that due to DCX limitations we are only able to permit orders for Viper Monroneys going back approximately six (6) years from the date your reprint order is placed. So if your car was built in May of 2001, DCX no longer has the records to produce a reprint.**
