**June 16<sup>th</sup> Club Meeting**

Thanks to Town & Country Dodge for allowing us the use of their Lunch Room for our recent meeting. Back to our 'fave' Timberline Dodge for our next meeting on August 11<sup>th</sup>. There were a number of new faces, which is great, though truth-be-told they were likely there because of the wine tour which was immediately following. Regardless, they get the points toward 'Member of the Year' for attending the meeting.

**Viper Spirit Galore**

**Meeting Notes:**

- Apparel sales: We're working on an on-line site for Oregon Viper Club apparel and accessories. We'll keep the club posted when it's live.
- Replacement Monroney: The VCA national Officers are happy to report that Viper Monroneys are finally available. What is a "Monroney"? In the U.S., all new automobiles are required to include an official form listing certain information about the car; this window sticker is commonly called a Monroney sticker. See our website under "General News" for more information.
- Member of the Year Point System: We reviewed our Club point system to help us select our club member of the year. For point status, check out the Club Forum at [www.oregonviperclub.org](http://www.oregonviperclub.org).
- Voted to amend Oregon Club by-laws. All suggested changes were accepted. Updated by-laws are downloadable on our website.

Timberline Dodge has been a significant supporter of the Viper Club and Viper Tech Ken Klickman and the entire service department provide the best local viper wrenching that you are going to find.

# Recent Events

Thanks to those who have attended some of the events we've had so far this year, and a special thanks to those of you who put them on! Here's a few pictures.

## April '07 Dyno Day

## June '07 Sherwood Cruisin'

# June '07 Wine Tour & Tasting

Immediately following our last meeting, we headed out for the wine tour and tasting. We had 8 Cars / 16 attendees show for the run.

The Club gave Wine Baskets to each car that attended, and at every stop we drew cards to hand out the 3 best poker hand prizes. Congrats to Paul & Ivonna who took home the Wine Cooler, to Dave and Melanie who snatched-up the compact tool-kit that fits neatly in the Viper and finally to Kevin & Dawn who went home with the fire extinguisher encased with the Oregon Viper Club graphics.

July is our busiest month for club events. The first couple have been great. Thanks to John and Cheryl for hosting some fun fourth festivities.

## July '07

The River City Rod Run was a scorcher ... record high temps when we were there. Though we only had a couple of Vipers for the 'show-n-shine', we did have a couple of club members that took home prizes for their Hot Rods.

Congrats to John & Cheryl and Kerry & Rob!
